MEMBERSHIP APPLICATION FORM 2019

The vision of the Victorian Farmers' Markets Association (VFMA) is to lead the Local Food Revolution of buying fresh food, direct from farmers at accredited farmers' markets. The Association and its members will work to inspire the public to connect with the growers and makers of genuine local produce.

The purpose of the VFMA is to stand up for Victorian farmers, to strengthen the viability of local producers and to jointly defend our food sovereignty through the support and promotion of accredited farmers' markets.

The key principles of accredited farmers' markets are that:

- The producer has grown, reared, caught or processed the produce being offered for sale, and;
- Each stall is staffed by at least one person who has intimate knowledge of, and direct involvement with, the production process of items for sale.

The following are never permitted at accredited farmers' markets:

- · Resellers of fruit, vegetables or any other farm based product;
- · Re-packagers of any food or drink;
- Art and craft where no clear farm origin is defined;
- Bric-a-brac stalls.

Principles of VFMA membership:

- · All applicants must agree to support the purpose of the VFMA and the VFMA's Rules of Association;
- Applicants accepted for membership by the VFMA Committee are classified as Associate "Non-accredited" Members until they
 achieve accreditation;
- All Market Trader Members must be genuine producers.

Steps to accreditation:

- Once your membership application and payment has been processed, you'll be sent forms to apply for accreditation. These need to be completed and submitted with the \$30 application fee for assessment.
- If you are a value-adder using raw ingredients to make food, your successful accreditation will depend on you using a high percentage of Victorian-grown ingredients, and you will be asked to provide evidence of purchase.
